8. New Business/ Additional Business/ Other matters as not reasonably anticipated 48 hours in advance of meeting

a. For Informational purposes:

There are currently 703 certified building inspectors -- 284 Local – 419 Inspector of Buildings

b. There was further discussion by Bill Horrocks with regards to the New Employee Report Form and the Appointing Authority.

- Have the town and city charters, forwarded to this office to verify someone besides the Chairman or Mayor has the authority to appoint a building official, been approved by the Attorney General's Office? If so, how would DPS verify?
- What is the difference between a *Town/City Administrator* and *Town/City Manager*? Does the administrator and manager have the same authority within that city or town?
- Add the following to the *New Employee Report Form*

Signature of Appointing Authority _____ Date _____

**** If the appointing authority is not the Mayor or Chairman a copy of the vote of appointment and the city or town bylaws, charter or ordinance showing that the appointing authority is the chief administrative officer who makes all appointments shall be submitted along with this form. (The committee may not acknowledge the appointment if not signed by Mayor or Chairman)**

c. Should the BOCC just accept the city or town charter stating the person who signed the *New Employee Report Form* is in fact the appointing authority, *chief administrative officer per MGL c 143 § 3*, without further discussion? Despite the fact the appointing authority may not be the Chairman in a Town or the Mayor in a City.
